

Chapter President Guidebook

1

Apply & Onboard

- Fill out the YCS ambassador application form
- Download welcome kit (email templates, flyers, poster designs, presentation slides)

Connect with Your School

- Reach out to your principal, computer science teacher, STEM coordinator, or club advisor about YCS
- Send emails from welcome kit
- Meet with them to explain the mission, benefits, and opportunities of YCS

2

3

Present YCS to Students

- Start or partner with an existing STEM/CS club
- Promote YCS with posters, flyers, school announcements, and social media
- Use YCS presentation slides to introduce program
- Record sign ups from interested students

Track Your Progress

- Create a monthly progress report including information about number of signups, presentations, social media posts, etc.
- Maintain contact with YCS mentor
