

Young Coders' Sphere Competition Rules

1) Make a project addressing the specific UN SDGs and prompt found on our website:

<https://www.youngcoderssphere.org/high-school-competitions>

2) Project must include a UI

3) Participants must be in 12th grade or lower (or equivalent) for the 2025-26 school year

4) Can be done individually or in groups of any size (recommended maximum of 5 people)

5) Submit a short (< 3 min) video presenting your project (captions recommended)

6) All code must be submitted either in a public github link, a google drive/onedrive link with correct permissions, or as a single file

7) All work must be original, no plagiarizing or use of AI-generated material

8) One submission per team

9) These rules are meant to be open ended, be creative!
